Byron Woods Summer Camp provides a safe and creative learning environment. Our goal is for children to form new friendships and make their summer experience memorable.

The camp is for children aged three to nine. Activities are geared to the camper's age. The camp director and staff are all experienced childcare personnel.

Monday is Sports Day

The campers will enjoy an assortment of action packed, fun-filled sports and learn new skills in soccer, basketball, volleyball, running, track & field and more.

Tuesday is Arts & Crafts Day

The children will explore and share their creative side. We will use imagination and creativity, along with paper, paint, paste and crayon to complete our art projects.

Wednesday is Science Day

Every Wednesday will be filled with exciting hands-on experiments. Activities will foster curiosity, an understanding of what science is really about and how it affects the world around us.

Thursday is Special Activity Day

Thursdays are our field trip, special activity and special camp visitor days. The campers will enjoy a special visit from the Snake Lady, the 'Fossil Guy', a yoga instructor, music specialist, trip to Kusterman's Farm and much much more. Our method of transportation will be by school bus.

Friday is Water Fun and Pizza Day
